EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Daniel J. Burns on October 27, 2004.

The application has been amended as follows:

Claims 1-7 and 15-49 are canceled.

Claim 9, line 2, "projection" has been replaced with --bump-- and line 3, "projection" has been replaced with --bump--

Claim 10, line 2, "projections" has been replaced with --lower walls-- and line 3, "projections" has been replaced with --lower walls--

Allowance

The following is an examiner's statement of reasons for allowance:

Claims 8-14 are allowed because there is no prior art of records that teaches or suggests a rack possessing the entire combination of features specified by the claims. In particular, while features may be individually known, there is no teaching or suggestion of a holder having "a partition sidewall located between first and second outer sidewalls", see claim 8, lines 4-5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
